

**YES FACILITIES**

.....It's all about redefining Facility Services.....

## About us

We are pleased to introduce ourselves as an Integrated Facilities Management Services firm. We are a team of expertise with hands on experience about facility services.

The services are offered individually or integrated to provide '**Total Facility Management Solutions**'. Whatever be the requirements, our services are always tailored to suit client's operational needs.

**YES Facilities** provides comprehensive property maintenance and facility management solutions to corporate houses, residential buildings, hotels, IT parks, etc.

The range of services are provided both on a contractual basis or as a single service / one-time job.
